are overworked, and nurses are in demand. The three physicians at Mount Airy -Drs. Willard, Nice and Kuhlman and Dr. Thomas, Adamstown- are down with colds and overwork.

Dr. Yourtee, Burkettsville, and Drs. Brown and Kuhlman, Jefferson, who have been ill, are able to do some work. Dr. Howard H. Hopkins, Newmarket, who died yesterday, leaves that town without a physician. City doctors are assisting in the county. County Health Officer T. Clyde Routson reported today marked improvement in the general situation. There are many ill patients and much sickness, but most cases extend from some days back, when the epidemic was developing or at its height. Business places close early, and the streets of the city present a deserted appearance at night. Deaths reported today: Mrs. Lydia Viola Shaw, 24, wife of George W. Shaw, near this city; James Waters, 18, son of Mr. and Mrs. Charles C. Waters, Thurmont, died in Washington; John Isaac Haller, 26, son of Mr. and Mrs. William T. Haller, this city; Woodward W. Roberts, 25, son of Mr. and Mrs. William W. Roberts, near New Midway.

"FLU" WORSE AT YORK

270 New Cases Reported In One Day.

York, Pa., Oct. 17.—The influenza took a startling spurt in this city yesterday. Two hundred and seventy new cases were reported last evening. This brings the total to 1,800.

It has been arranged by Drs. J. Frank Small, director of public health, and A. M. Grove, superintendent of public safety, to secure a number of cots and bedding from the state so as to install the tent hospital at the fair grounds as soon as possible. Efforts are being made to arrange with the state department for the service of a trained man to superintend the establishment of the open air hospital. It is also planned to secure two members of the state police for duty at the hospital.

Dr. H. D. Baird, who reurned yesterday from Massachusetts, where he has had experience in combating the epidemic of influenza, was chosen as the directing medical officer of the hospital. Mary Smith, superintendent of the York Hospital, and Netta Ford, superintendent of the Visiting Nurse Association, were selected to organize the nurses. Dr. A. W. Grove was placed in charge of the purchase of medical supplies.

Every effort will be made to have the hospital in operation by the end of the week.

"The Red Blood Builder"

Ends Stubborn Coughs in a Hurry

For real effectiveness, this old home-made remedy has no equal. Easily and cheaply prepared.

You'll never know how quickly a bad cough can be conquered, until you try this famous old home-made remedy. Anyone who has coughed all day and all night, will say that the immediate relief given is almost like magic. It is very easily prepared, and really there is nothing better for coughs.

Into a pint bottle, put 2½ ounces of Pinex; then add plain granulated sugar syrup to make a full pint. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, the full pint saves about two-thirds of the money usually spent for cough preparations, and gives you a more positive, effective remedy. It keeps perfectly, and tastes pleasant—children like it.

You can feel this take hold instantly, soothing and healing the membranes in all the air passages. It promptly loosens a dry, tight cough, and soon you will notice the phlegm thin out and then disappear altogether. A day's use will usually break up an ordinary throat or chest cold, and it is also splendid for bronchitis, croup, whooping cough, and bronchial asthma.

Pinex is a most valuable concentrated compound of genuine Norway pine extract, the most reliable remedy for throat and chest ailments.

To avoid disappointment, ask your druggist for "2½ ounces of Pinex" with directions and don't accept anything else. Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., Ft. Wayne, Ind.
