Influenza in Worcester At a Glance

Report of physicians show that 367 new cases developed within the last 24 hours. All cases are of the same type. Deaths were 10 and recoveries 100. In addition to those already listed.

With wholesalers exempted, all Worcester saloons and bars in hotels and restaurants are ordered to close at midnight tomorrow until further notice by the board of health. This decision was made at a meeting lasting all morning and ending this afternoon.

Soda Fountains Too

The board also voted to close under the same conditions all bowling alleys, poolrooms, billiard halls, soda fountains, slot machine parlors and public auctions. Hotel and restaurant men holding liquor licenses are ordered to serve no liquors except on such parts of their premises as have been heretofore and now are actually used as

FIRE RAGING AT ARSENAL IN ILLINOIS

Starts in Camp as Firemen Are On Strike

ROCK ISLAND, Ill., Oct. 7.—Fire of unknown origin started at the Walsh Construction Company's camp at the Rock Island arsenal at 9 o'clock this morning. The camp is situated near the big T N T plant at the arsenal. The city fire department was on strike.

Help Requested

To assist the fire department at the arsenal, help was asked from the fire departments of Davenport, Rock Island and Moline. With the Rock Island department on strike, less than half a dozen regulars and a few volunteers responded. The fire was reported making great headway. The Rock Island arsenal is the largest in the United States and the T N T plant threatened by the fire at the arsenal here is the largest one owned and operated by the government. At 10 o'clock the fire had been brought under control.

LOAN COMMITTEE HOLDS MEETING

The Liberty Loan committee with the aids and ward chairmen will meet this afternoon at 5 o'clock to discuss plans for the final 12 days of the Fighting Fourth campaign. The committee will not sanction many activities for the closing week of the drive as it does not believe the influenza epidemic will be improved sufficiently by next week to allow people to hold public gatherings again.

MAYOR IS BETTER

Mayor F. G. Holmes, who has been sick for a week with influenza, is reported better today.
