

Shamrock IV to Race This
 The Shamrock IV, a 100-ton schooner, will race the America's Cup on Dec. 12. The ship has been lying boxed up in a Brooklyn shipyard. The three American yachts were the Resolute, Vanitie and Defiance.
 The America's cup was a trophy put up by Queen Victoria in 1851 for an international yacht race. It was won by the schooner yacht America, which at last accounts was lying in Boston.
Challenge Not Received.
 New York, Dec. 12.—The challenge from the Royal Ulster Yacht club had not been received at the New York Yacht club tonight.
 Surprise was expressed by members of the club that it had been sent so soon after the close of the war. In the absence of Secretary George

IS SEVERELY WOUNDED

Private Life Young.
 Word has been received by Mrs. C. E. Woodward, 1811 Chicago, avenue, that her brother, Life S. Young, who was previously reported as having died of disease, was wounded in action, November 2, suffering the loss of a leg and hand.
 Young who is 25 years old enlisted in the Marine corps in September 1917. His training was received at the Mare Island station in San Francisco from which place he was transferred to Galveston, Tex., and later sent overseas. His father is P. H. Young, a ranchman living near North Platte.

No Strap Hangers on Street Cars; Anti-Flu Order

Health Commissioner Manning ordered the street railway company to permit no crowding of street car beyond seating capacity.
 The order is made as an influenza preventive measure. It prohibits strap-hangers inside the cars or anyone standing on the rear platform.
 The health commissioner's order also requires that one window be fastened open, permanently, in each car.
 Secretary Mayer of the Omaha Church federation, is sending letters to all churches, advising them to abandon all social gatherings, hold as short services as possible, seat their congregations in alternate rows and permit no hand-shaking. This was a voluntary proposal of the churches, after conference with Dr. Manning.
 "I wish to warn the public that some physicians are charging extortionate fees for anti-pneumonia vaccination," said Dr. Manning. "The health department furnishes the vaccine free and the physician should not charge more than a fair fee for injection. Some physicians are charging \$10. That is too high."
 There were twenty-three deaths from influenza Wednesday, according to health office reports. The number of new cases reported was about 300, as on previous days recently.

AT LEAST FIVE BILLION NEXT LOAN, SAYS McADOO

Washington, D. C., Dec. 12.—Five to five and half billion dollars more of bonds will have to be issued to finance the government this year, Secretary McAdoo told the house ways and means committee today in discussing financial questions. He based this on an estimate of \$18,000,000,000 in expenditures and members of the committee said the estimate was not too low.
 No formal consideration was given by the committee to the facts that Secretary McAdoo's estimate was based on the assumption that the government would be able to raise \$10,000,000,000 in new bonds this year, but that the committee believed that this year would be a record for the government's borrowing.

Plan to Open Next Season on or About the First of May

This Decision Arrived at in Meeting of Loop Owners at Chicago

Chicago, Ill., Dec. 12.—Adoption of a 140-game schedule opening the season on or about May 1 is the American league plan for the resumption of baseball in 1918, as expressed at a protracted session of the club owners at their annual meeting here tonight.
 Action on the status of the players who deserted their clubs last summer to join the "shipyard league" and the election of a committee to meet with the National league were among the remaining questions to be settled.
 Another move in the path of retrenchment was the decision to slash the club player limit from twenty-five men to twenty-one men, starting fifteen days after the pennant race has begun. But in order to take care of the players in the military or naval service, a special amendment was passed, so each club owner will be permitted to retain returned soldiers and sailors on his roster for thirty days.
 The club owners voted to reconstitute the national baseball commission as now constituted. A vote of confidence was passed for August Herrmann, chairman of the commission, whom the national league recently opposed for re-election. The vote of confidence was passed out of consideration for Herrmann's long service as an official on the ruling body of baseball.

IOWA AWARDS LETTERS TO PAIR OF FRESHMEN

Special Dispatch to the World-Herald.
 Iowa City, Ia., Dec. 12.—Iowa university's board in control of athletics has awarded letters "I" to fourteen football stars—Captain Reed, Slater, Hunselman, Mockmore, Heldt, Belding, Synhorst, Block, Kelly, Scott, Greenwood, Lohman, Sykes and Donnelly. A remarkable feature of the award this year is that Sykes and Belding, freshmen, won this insignia of honor, such an award having been made to no yearling since Iowa has been governed by conference rules.

No, Dorothy, a fisherwoman is hardly ever a mermaid.
