<sup>3</sup> The identification of *P.Oxy.* XI 1356 f.8, f.11, Fr.2, and Fr.3, was made by W. G. Waddell, "On the Oxyrhynchus Papyrus of Philo (*P.Oxy.* IX, 1173; XI, 1356)," *Études de Papyrologie* 1 (1932) 1-6. Waddell also gives the correct location of *P.Oxy.* 1173 f.9; Hunt (inexplicably followed by van Haelst) assigned it to *De mercede meretricis* (see *Philonis opera*, vol. I, LXXXVII-LXXXVIII on this "work" of Philo).
