

BOARD OF HEALTH  
"Influenza or la grippe is an epidemic disease. Infection is conveyed from person to person. Close contact with a person having influenza is dangerous. If you have influenza do not give it to others. You will if you visit or come in near relationship with others."

#### Federal Aid for Chicago.

Dr. Robertson was in Washington yesterday conferring with federal health authorities. Experts probably will be sent to Chicago to aid the authorities here. Efforts also will be made to furnish a serum for use in combating the disease.

Since Saturday noon 198 new cases of influenza, with twenty-nine deaths, and fifteen deaths from pneumonia, have been reported in Chicago.

Influenza made such inroads on Lake Forest that the Lake Forest contagious hospital, a private institution, was

commandant, said:

"Great Lakes is now practically free from new cases of influenza. We probably have less influenza here in proportion to our population than anywhere else in the country. No one need fear contracting the disease from any sailors at liberty, for none who is sick is allowed outside."

Official figures for twenty-four hours at Great Lakes show fifty-four new cases, a decrease of thirty-four from the day previous.

#### 20,000 NEW CASES IN CAMPS.

Washington, D. C., Sept. 30.—More than 20,000 new cases of Spanish influenza were reported from army camps during the forty-eight hours ended at noon today. Pneumonia cases reported numbered 733 and deaths 277. The total of pneumonia cases now is 5,766 and deaths 1,577.

help. The Kaiser will hardly care to send many of his divisions in Roumania to Bulgaria or to Turkey. Field Marshal Mackensen probably will need all these troops to consolidate the Danube line and hold down Roumania, of which a large part of the population is said to be ready to rush again to the entente standard.

#### Still Fight Other Foes.

Gen. Franchet d'Esperey, the allied commander in chief in Macedonia, signed for the allies and the Bulgarian delegates for their government. Instructions have been given by the French government to Gen. d'Esperey to proceed immediately to the execution of the conditions of the armistice.

The actual suspension of hostilities immediately followed the signing of the armistice, but it is noted that this suspension applies only to Macedonian hostilities against Bulgaria and that it

garia or setting up there a government to resist the allies.

#### Ends Berlin-Bagdad Dream.

"Ferdinand is doomed," it continues, "as his subjects will never pardon this disaster."

"Formerly the central powers threatened to dominate the Balkans and the eastern Mediterranean, but the present Bulgarian debacle ends the central powers' menace on all the Balkan fronts. The feeble Austrian garrison remaining in Serbia after Bulgaria's withdrawal will be annihilated."

"With the capitulation of the Bulgarians the Austrian Slavs will rise against their despotic rulers and the fate of the Hapsburgs will be accomplished. An uprising in Bosnia and Herzegovina is a necessary sequel to the freeing of Serbia. Turkey must follow the example of Bulgaria, and
