### GREAT CONVERGING ATTACK PREDICTED BY LLOYD-GEORGE

WASHINGTON, Nov. 5.—With Austria out of the war, the tindamental terms upon which the Allies are willing to make peace with Germany were today made known through the State Department.

see with Germany were today made known mrouge me cossistent properties. In actionwise different directed to Mr. Hane Sudder, Minister Sportman, and Mr. Sudder, Minister Sportman, and Mr. Hane Sudder, Minister Sportman, and Mr. Sportman, and the Interests of all of the Allied governments as to infilliary safety must be protected.

2—Einst "Freedom of the seas" must be assured. This to be determined by the negotiators at the peace conference.

3—That all invaded territories must be resulted.

at the peace conference.

3—That all invaded territories must be restored, evacuated and freed and that Germany
make ample compensation for all the damage

done by her in the war.

Thele are the basic principles of the conditions of peace as laid down by the Allied conference and which have been sub-leaded to Germany. The Prinsatan autocracy must accept these feet the war will good on.

OPENING WEDGE FOR PARLEY.

From the diplomatic viewpoint these conditions initiated by the Alicia generals as supported by the Alicia contenence are rearized here as the opening wedge in whatever peace negotiations frait that be undertaken. They come primarily from the military enthority which controls the controls the controls the control of the Alicia of the A

Signs, we make a transfer of the public of the Republicans.

In Kenucky the result was close, and both sides were claims and take and an each of the Committee Hands for worker of the American Hands for worker was the market of public of the transfer of t

he seat made vacant by the drath of William J. Stone (Den.) CLOSE RACE FOR GOVERNOR IN NEW YORK. In this state the gubernatorial contest is close and will resea a count of the 45,000 soldier votes to decide whether Gov. Aries S. Whitman, Republican, is re-elected over Aired E.

said. Democrat.

The greatest interest centered in the senatorial fight in Michajain, where Truman H. Newberry, formerly secretary of the navyand now a listensant commander in it, was running as a Republican and Henry Ford as a Democrat. Mr. Ford has said that his
via: "commanded" by President Wilson to make the race. Newberry is elected by a majority estimated early this morning at
runn 20/001 05.0009. The restructs from Wayne county, which
includes Decroit, may reduce this but Newberry's lead is so great
dist they will probably not redunge it. KANSAS FURNISHES SENSATION.

TA SIGNET SENSATION.
The bingers sensation of the election was the complete overturn in the Kantsas Congress delegation and the Republican landslike in the whole state. In the present Congress the delegation
stands. Democrats 5, Republicans 3.
In the next in will apparently stand: Republicans 8, Demoin the next in will apparently stand:

crais 0.

In addition, the Kansans have turned out their Democratic sensor, "Thompson, and elected Gov. Capper to his place by 100.000 majority. Henry J. Allen, Republican, who is doing war week in France and did not come home to participate in the earliest of the control of

1000 majority, rising and the come home to parturpase with França and did not come home to parturpase with in the second partu
