

WORTH OF DIAMONDS

James F. Moynihan, 56 Gardner Street, and William J. Healey, 6 Chesty Street, Arrested on Charge of Breaking and Entering

Two diamonds valued at more than \$20,000, which were stolen from the home of J. Mansford, Hawthorne street, Monday morning, were recovered this morning by the police, and James F. Moynihan, 56 Gardner street, and William J. Healey, 30 years of age, arrested on charges of breaking and entering and larceny early last night.

The diamonds were found on the floor of the main street pawnshop, trying to pawn a ring which they had taken to the pawnshop owners, having brought a diamond ring and diamond stickpin there, came to the pawnshop, it is alleged he produced a diamond ring, and was told it was worth between \$100 and \$200.

He returned last night with the diamonds and was taken to station 1 and questioned by the police. According to him, Moynihan, the partner in the pawnshop, had brought a diamond ring and diamond stickpin there, came to the pawnshop, it is alleged he produced a diamond ring, and was told it was worth between \$100 and \$200.

WORCESTER DRAFT BOARDS CLOSE DOORS TO PUBLIC BUT CLERKS WORK

The five draft boards of Worcester closed last night and will remain closed until Monday morning at 10 o'clock, in order to comply with the wishes of the board of health in keeping down the spread of influenza. This announcement was made at a special meeting of the officials of the five draft boards, which held their meeting at 11 Foster street, last night.

The clerks employed by the five boards have been taking chances with their health, answering questions of applicants and clerks connected with the drafting of the boards. "The closing of the boards will also help the officials and clerks connected with the drafting of the boards. The amount of work which still remains ahead of them, despite the fact that they have been drafting for about 12 hours a day to get the work done.

More work came our way when we received the master list of order numbers for the draft boards. The work is unusual amount of work for the chairman and their clerks. The work of sorting out the master list of order numbers registered in Worcester, Sept. 15, requires the undivided attention of at least three or four clerks on each board, who must work steadily on them to get ahead. This work will require at least seven days to complete.

EIGHT DEATHS TOLL AT INFLUENZA HOSPITAL AND MORE NURSES WANTED FOR PATIENTS

Eight deaths were the influenza toll yesterday at the emergency hospital at the Greenendale fairgrounds, and 14 new cases, many serious, were admitted. The total number at these quarters is now about 50.

Dr. Holmes thinks that the epidemic, so far as Worcester is concerned, is in its early stages. He is basing his opinion on physical observations and reports from physicians. Describing the outbreak as such, he says that the epidemic is now in its early stages, and she appealed to the public for aid.

ALDERMEN FITZGERALD FILES ORDER FOR WOODEN OR ASPHALT SHINGLES ON ROOFS

Alderman Michael J. Fitzgerald, ward 5, will file an order today with City clerk W. Henry Towne, asking the city council to consider passing an ordinance to relay roofs with wooden, asphalt shingles or any roofing material of fire-proof nature.

Those who own buildings that are erected in the future, Alderman Fitzgerald says, should be laid with slate or other fire-proof material. Those who own buildings that are erected in the future, Alderman Fitzgerald says, should be laid with slate or other fire-proof material.
