Some Books for a Rainy Day and a Nice, Long Influenza. Quarantine, Which Are Entertaining (Most of Them) While Some Few Are Really Worth While and of Value thing or two but a book for men in a world or men, no, needing, understand no butter light, and world or men, no, needing, understand no butter light, and world or men in the offering the light and with the best of foliates who in this offering, thinks glessify and sons straight. Then along offers along your fines along dain, keyfor's niew you have of 'Mort Stories,' entitled, 'Chrestrul - By Requisity's which story but the way, is not by any nanner of foliates whe loss in the children's life you have been along of the way, is not by any nanner of foliates way, is not by any nanner of foliates whe loss in the children's loss of the lady in "Borplies as She Might Fare Deep!" and "Shore Beave's are cleasion," I adore Julie of the Lady's med sanf at the, hotel in "The Mookprop the Beave and She was the sand sand and the sand sand and the sand sand and the sand and the sand and the sand and career; "Life," says the quintesscent Julia, "to

By DOLLY DALRYMPLE AR be it from me to set myself up as a book critic; it takes "intellect" to fill that job, and I confers to only a mudicum of intulli-gence, besides, I have too omniverous a literary appetite to hake a good critic because I'll read anything under the sun that comes ney way, good, bad or indifferent, and most of the time enjoy indifferent, and most of the thinding it, and that places he in the position of not being critical enough; but—anyway—what I started out to say is Puring the influensa quarantine Tve

had time and to spare, so—I've read world without end—Amen—books! books! books!

had time and it spars, and we world without ond Amen-books' books! books! Trn just "passing this on" for what it is worth; I didn't pick and choose you'll see, because that would have required a visit to the city—but I just read what was "nanly."

First of all, let me recommend heartly and fully my friend Mr. If G. Wells in his latest and one of his very best pieces of (letten "Joan and Peter." Mr. Wells calls his new nove. "The Story of an Education," it really is a wonderful tirade concerning modier of the story of an Education, it really is a wonderful tirade concerning modier of the story of an Education, it really is a wonderful tirade concerning modier of the story o

Then I read two of H. Devote Size policies aroies: 1-d nover road any of this author's books before and "The Man Who look illingell" and "The Ghest Utel I found light "Auv-Pally-Littlian" sort of stuff-cart on the "most tern" effect plans and specifications. Next came Mr. Phillips: openhe in around whom more than ever my fitterest centrest just now aline weve had news from "Over by Minerican news from "Over from Minerican
